**Face-to-face:**

All classes delivered face-to-face at a central St Peter Port location. Students have the option of attending the hybrid classroom courses if they are unable to attend any of the face to face classroom sessions (please see the Hybrid timetable for course details)

**Learning methodology:**

CGIUKI face-to-face courses are delivered via an innovative and flexible learning methodology, which provides students with choice over when and where they study.

The courses combine:

- online core learning delivered via comprehensive, pre-recorded bite-sized webinars,
- with regular, tailored, face-to-face sessions focussed on application of your knowledge and building a deeper understanding of how this is tested.

This is a flexible and tailored solution, affording students control over their studies, with tailored support offered by your tutor in and out of the classroom.
